

We would like to wrap up April with a fun community activity. Since April is both Child Abuse Prevention Month and Sexual Assault Awareness Month, we painted rocks in the colors that represent support of both causes and hid them around the community. These rocks are hand-painted with lovely artwork, encouraging truth stating messages, as well as [#SAAM](#) and [#CAPM](#) which can be searched online to find more information about Sexual Assault and Child abuse. You can find ways to help the cause by looking at our social media pages or calling/visiting our office. If you happen to find one of these colorful rocks, bring it by during our regular business hours and collect your prize....\$5 NOMAD COIN!! Rock hunting, by the way, is a great way to spend quality time building healthy relationships with your loved ones.

Happy hunting!! [#FCN](#)
